

Health Optimization

Consultations

Integrative Medicine Consultation

Our holistic doctor consultation focuses on investigating all your daily practices and health issues to gain a complete picture of you, not just alleviating the symptoms.

30 mins | AED 700

15 mins | AED 400 (Follow up)

Wellness Consultation with Oligoscan

Our expert physician will take a detailed personal and family history and understand your health goals. Consultation includes screening for symptoms of physiological imbalance using oligoscan to rule out excess or deficiency of vitamins and minerals, risk of developing toxic metal poisoning and factors contributing to oxidative stress

45 minutes | AED 900

Nutrition Advice & Body Composition Analysis

After building a detailed picture of your lifestyle, eating habits, and medical history, we will guide you to the best nutrition plan that suits your needs.

30 mins | AED 500

Medical Clinic Therapies

Angel of Water 30 mins | AED 400

A non-invasive and secure therapy; it improves health by removing toxins and stimulates the digestive system, boosts your energy, and enhances your immune system.

Pulsating Electro-Magnetic Field (PEMF)

30 mins session | AED

1 session 400

5 sessions 1,500

10 sessions 2,500

A mini detox in itself. This treatment helps to purify the undissolved or undigested food remnants on the intestinal wall and improves health by removing toxins, boosting energy, and enhancing the immune system.

Oxygen Therapy 30 mins | AED 200

This treatment facilitates and optimizes the oxygen utilization of cells and tissues. It improves blood circulation and reduces heart rate while enhancing physical performance.

Sodium Inhaler 30 mins | AED 200

Inhaling sodium bicarbonate helps alkalizing the cells and draw out toxins, quickly heal throat soreness, release sinus pressure, detox the respiratory tract and soothe the throat, sinuses and lower respiratory tract.

Ozone Sauna 60 mins | AED 500

The combined action of moist heat and ozone cleanses the lymphatic system. It increases blood circulation, oxygen, and nutrient delivery within the body, burns calories, and loosens muscles.

Cryo Cabin 1-2 mins | AED 400

Cryotherapy speeds up muscle recovery and relieves pain from any part of the body. It helps with weight loss and enhances general health and wellness.

IV Therapy

A method encompassing delivery of micronutrients in the form of IV vitamins, minerals, antioxidants and amino acids into the body to enhance your metabolic status and sense of wellbeing.
